55265 Microsoft PowerApps

Price: 695

Duration: 2 days

Delivery Methods: Virtual

Overview

This Microsoft PowerApps training course will guide you through the journey of creating custom business applications with ease. In this course, we dive into the depths of Microsoft PowerApps, empowering you to craft personalized applications with minimal coding required.

The aim is to equip you with the knowledge and skills necessary to design, test, and deploy apps seamlessly, integrating them with various data sources effortlessly.

Whether you're just starting out, customizing data entry forms, or you're an advanced user implementing intricate formulas, this course caters to all proficiency levels.

Upon completion, you'll emerge proficient in leveraging PowerApps to develop applications that not only meet but exceed the demands of modern business processes, optimizing efficiency and productivity along the way.

Microsoft PowerApps Course Objectives

After completing this course, you will:

- Understand the purpose and benefits of using PowerApps.
- Become familiar with PowerApps components and their uses.
- Create PowerApps from existing data sources and customize them.
- Connect to various data sources, including Excel and Azure SQL.
- Differentiate between canvas apps and model-driven apps.
- Integrate PowerApps with Office 365 systems like Teams and SharePoint Online.
- Administer and maintain PowerApps within your organization.

Audience

- Beginners interested in customizing data entry forms, especially for SharePoint.
- Advanced users looking to apply advanced formulas in custom app solutions.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
