

AI & Web Application Security: A Practical Guide to Risks & Responses (TTAI2835)

Price: 995

Duration: 1 days

Delivery Methods: Virtual

Overview

AI Secure Programming for Web Applications / Technical Overview is a one-day, technical primer geared for developers and tech-enthusiasts eager to explore AI's potential to boost security in their web development projects. The value of applying AI to web security is vast. By leveraging AI techniques, you can devise proactive defenses, anticipate potential security breaches, and ensure a more robust digital framework. The skills acquired will allow you to build secure AI-driven web applications that are less prone to breaches and hacks—an asset to any organization. You can apply your newfound knowledge to a wide array of projects, from designing resilient web applications to improving the security of existing digital infrastructures.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify
TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to
info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
