Certified Incident Handling Engineer

Price: 3500

Duration: 4 days

Delivery Methods: Virtual

Overview

About this Course

The Certified Incident Handling Engineer vendor neutral certification is designed to help Incident Handlers, System Administrators, and any General Security Engineers understand how to plan, create and utilize their systems in order to prevent, detect and respond to attacks.In this in-depth training, students will learn step-by-step approaches used by hackers globally, the latest attack vectors and how to safeguard against them, Incident Handling procedures (including developing the process from start to finish and establishing your Incident Handling team), strategies for each type of attack, recovering from attacks and much more.Furthermore, students will enjoy numerous hands-on laboratory exercises that focus on topics, such as reconnaissance, vulnerability assessments using Nessus, network sniffing, web application manipulation, malware and using Netcat plus several additional scenarios for both Windows and Linux systems.

1. Accredited by the NSA CNSS 4011-4016
2. Is approved and has been placed on Homeland Security's National Initiative for Cyber Security Careers and Studies (NICCS) training providers and maps to the National Cybersecurity Workforce Framework
3. Preferred cyber certification for the FBI

At Course Completion

Upon completion of the Certified Incident Handling Engineer course, students will be able to confidently undertake the CIHE certification examination (recommended). Students will enjoy an in-depth course that is continuously updated to maintain and incorporate the ever changing security

world. This course offers up-to-date proprietary laboratories that have been researched and developed by leading security professionals from around the world.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
