Overview

Introduction to UX Design Basics for Non-Developers is a two-day, hands-on workshop designed to make these important skills accessible to people without technical web development, scripting or formal web design training or experience. As the digital landscape becomes increasingly user-centric, it's essential for professionals across various industries to understand the fundamentals of engaging, user friendly web design. Our immersive course introduces you to essential UX concepts, equipping you with the knowledge and skills necessary to create user-friendly designs and collaborate effectively with UX professionals within your organization.

This immersive course will teach you the basics of how to create intuitive and engaging digital experiences, even without a web development background. Our workshop covers essential topics such as signposting, wayfinding, and navigation patterns, as well as designing for different devices and screen sizes. You'll also explore techniques for collecting user input and feedback, incorporating valuable insights into design iterations and enhancing the

overall user experience. You'll discover the power of user-centric design as our industry experts guide you through understanding user interactions, responding to common UX situations, and leveraging UX professionals within an organization. You'll also learn about organizing content, improving navigation, and laying out pages for ease of use. With 50% of the course dedicated to hands-on activities, you'll have the opportunity to apply your newfound knowledge to real-world projects, ensuring a well-rounded and practical learning experience.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
