Overview

Overview

As a candidate for this certification, you're a developer who works with finance and operations apps in Microsoft Dynamics 365 to implement and extend applications that meet the requirements of a business. You provide fully realized solutions by using:

- Standardized application coding patterns
- Extensible features
- External integrations

As a candidate for this certification, you do the following:

- Develop business logic by using X++.
- Create and modify finance and operations app reports and workspaces.
- Customize the UI.

- Provide endpoints and APIs to support Microsoft Power Platform apps and external systems.
- Perform testing.
- Monitor performance.
- Analyze and manipulate data.
- Manage implementations by using application lifecycle management (ALM).

You also create technical designs, specify implementation details, and implement security requirements.

You should have a deep knowledge and experience using the underlying framework, data structures, and objects associated with the finance and operations solutions.

You should have experience with products and services that include Microsoft Visual Studio, Azure, Power Platform, Azure DevOps (including version control tools like Team Foundation Version Control [TFVC] and Git), Lifecycle Services tools, Power Platform admin center, Implementation portal, Copilot, Postman, Microsoft 365, reporting tools (for example, SQL Server Reporting Services [SSRS], Power BI), and SQL Server Management Studio.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
