

# Oracle 19C Database Multitenant Architecture (TTOR20719)

**Price:** 2595

**Duration:**

**Delivery Methods:** Virtual

## Overview

**Oracle 19c Database Multitenant Architecture** is a hands-on, three-day course designed for Database Administrators seeking to master Oracle's cutting-edge Multitenant Architecture. Throughout the course you'll deep dive into the essentials of Container Databases (CDBs) and Pluggable Databases (PDBs), covering topics such as CDB and PDB management, security, backup, recovery, and performance tuning. By learning these core concepts, you'll will enhance their ability to streamline database operations, boost data security, and optimize performance, directly benefiting your daily tasks and your organization's efficiency.

## Objectives

Working in a hands-on learning environment led by our expert facilitator, you'll explore:

- **CDB Management Skills:** Gain expertise in managing Container Databases (CDBs), including setup, configuration, and maintenance.
- **PDB Operations Proficiency:** Develop the ability to efficiently handle Pluggable Database (PDB) operations like creation, cloning, and management.
- **Database Security Measures:** Learn to implement and manage security protocols in both CDBs and PDBs, ensuring data integrity and compliance.
- **Backup and Recovery Techniques:** Master the techniques for performing backups and recoveries of CDBs and PDBs, ensuring data safety and continuity.
- **Performance Optimization:** Acquire skills to optimize the performance of databases within the Oracle Multitenant environment, including tuning and resource allocation.

- **Data Movement and Storage Management:** Understand and apply methods for effective data movement and storage management in a Multitenant architecture.

## Audience

This course is introductory-level, but technical in nature. In order to participate in the hands-on labs you should have a basic understanding of database principles, basic scripting skills (in relation to Oracle) and basic analytics skills.

## Pre-Reqs

**Take Before:** To be successful in the course, you should have skills equivalent to the topics in the course below or should have attended it as a pre-requisite:

- Oracle 19c Database Administration I (Oracle 19c DBA I)

## Why Professionals Choose TOPTALENT?

### Dedicated Texas-Based Support

Get assistance every step of the way from our **Texas-based team**, ensuring your training experience is hassle-free and aligned with your goals.

### 3000+ Curated Professional Courses

Access an extensive portfolio of over 3000 courses across IT, Business Application and Leadership – Designed to meet evolving Industry demands

### 95% Client Approval Rating

Trusted by professionals nationwide our 95% approval rating reflects consistent quality, measurable impact and exceptional service.

### Certified Industry Instructor

Learn from professionally certified experts with real world experience and a proven commitment to learner success.

## **FAQ**

### **What if I have to reschedule my class due to conflict?**

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to [info@toptalentlearning.com](mailto:info@toptalentlearning.com) to avoid rescheduling penalties.

### **How do I enroll for this class?**

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

### **What happens once I purchase a class?**

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

### **What is your late policy?**

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

### **What happens when I finish my class?**

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
