## Overview

Welcome to the Ultimate PenTester Bootcamp, a cutting-edge and immersive training program crafted for those looking to thrive in cybersecurity and master penetration testing. This bootcamp is your gateway to becoming a proficient cybersecurity professional, providing a thorough grounding in essential skills and the latest industry practices. By integrating both theoretical knowledge and hands-on experience, this program prepares you for the dynamic challenges and high-stakes opportunities in the cybersecurity arena.

Our curriculum is designed for a wide range of participants, from beginners seeking entry into the cybersecurity field to seasoned professionals aiming to sharpen their penetration testing skills. You will benefit from learning under seasoned experts, engaging in practical exercises, and tackling real-world cybersecurity scenarios. Our four-tiered course structure is meticulously developed to progressively build your skills—from foundational security concepts to advanced penetration testing techniques

Completing this bootcamp equips you with a robust understanding of how to identify and exploit security vulnerabilities, craft strategic security measures, and enhance organizational security. This holistic educational approach distinctly positions the Ultimate PenTester Bootcamp as a pivotal step in your cybersecurity career.

**Objectives**

- Understand and apply foundational cybersecurity principles through the Certified Security Principles (CSP) course.

- Develop ethical hacking skills with the Certified Professional Ethical Hacker (CPEH) course, focusing on hacking techniques and tools.
- Gain hands-on experience in conducting detailed penetration tests with the Certified Penetration Testing Engineer (CPTE) course.
- Master complex penetration testing scenarios and consult on high-level security solutions in the Certified Penetration Testing Consultant (CPTC) course.

**Prerequisites**

- A minimum knowledge of 12 months' experience in networking technologies
- Sound knowledge of TCP/IP
- Knowledge of Microsoft packages
- Network+, Microsoft, Security+
- Basic Knowledge of Linux Essentials

# FAQ

**What if I have to reschedule my class due to conflict?**

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

**How do I enroll for this class?**

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

**What happens once I purchase a class?**

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

**What is your late policy?**

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

**What happens when I finish my class?**

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
