Overview

The Using Duo to Support Secure Access Service Edge (SDUO) training provides a high-level overview of Cisco Duo and how it protects software and systems with two-factor authentication (2FA). This training consists of two courses with two hands-on labs. The first course will cover how to implement Cisco Duo to protect the applications. The second course will cover how to implement Cisco Duo to integrate with Cisco Anyconnect VPN using the Cisco Duo Authentication Proxy, providing an extra layer of security for remote access virtual private networks (VPNs).

The duration of this course is 8 hours and is eligible for 1 Cisco Learning Credit.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
