

# Architecting CI/CD Pipelines and Automations

**Price:** 2595

**Duration:**

**Delivery Methods:** Virtual

## Overview

This course covers what attendees need to design successful CI / CD pipelines using a variety of popular platforms including GitHub Actions, GitLab CI/CD, and Jenkins. Students will write a variety of code including Python and Ansible scripting, that will trigger a variety of automated behaviors upon git commits and pull (or merge) requests. Some of the triggered DevOps automations include testing, running scripts, building and releasing containerized services. DevSecOps paradigms include running security apps such as password and token detection, as well as other popular DAST and SAST tools.

## Objectives

- Custom CI/CD workflows for seamless automation
- Manage project flows with Python, Ansible, and Go
- Enhance team collaboration and code advancement
- Use Git & GitHub Actions for builds, tests, and deployment
- DAST and SAST tools relating to DevSecOps practices
- AI LLM prompt engineering for relevant configuration snippets and solutions

## Audience Profile

- This course is applicable training for all persons looking to understand how CI / CD automated processes tie into Software Control Management (SCM) techniques
- DevOps Engineers

- Software Developers
- Marketing and Sales Engineers
- Managers and Directors
- Quality Assurance & Site Reliability Professionals

### At Course Completion

By the conclusion of this course, attendees will learn to use Git GitHub, GitLab, and Jenkins to manage and automate the release of code:

- Building custom Continuous Integration (CI) and Continuous Deployment (CD) workflows
- Take control of project flows build Python, Ansible, and GoLang applications
- Practice team collaboration methods for projects and advancing code
- How Git and GitHub actions can trigger builds, testing, and deployment of container images to production environments, such as Azure App service, and Kubernetes
- DAST and SAST tools relating to DevSecOps practices
- AI LLM prompt engineering for relevant configuration snippets and solutions

### Course Schedule

### Why Professional Choose TOPTALENT?

#### Dedicated Texas-Based Support

Get assistance every step of the way from our **Texas-based team**, ensuring your training experience is hassle-free and aligned with your goals.

#### 3000+ Curated Professional Courses

Access an extensive portfolio of over 3000 courses across IT, Business Application and Leadership –  
Designed to meet evolving Industry demands

### **95% Client Approval Rating**

Trusted by professionals nationwide our 95% approval rating reflects consistent quality, measurable impact and exceptional service.

### **Certified Industry Instructor**

Learn from professionally certified experts with real world experience and a proven commitment to learner success.

## **FAQ**

### **What if I have to reschedule my class due to conflict?**

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to [info@toptalentlearning.com](mailto:info@toptalentlearning.com) to avoid rescheduling penalties.

### **How do I enroll for this class?**

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

**What happens once I purchase a class?**

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

**What is your late policy?**

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

**What happens when I finish my class?**

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
