

# CompTIA Cybersecurity Analyst (CySA+)

**Price:** 2795

**Duration:**

**Delivery Methods:** Virtual

## Overview

The CompTIA Cybersecurity Analyst (CySA+) examination is the only intermediate high-stakes cybersecurity analyst certification with performance-based questions covering security analytics, intrusion detection and response. High-stakes exams are proctored at a Pearson VUE testing center in a highly secure environment. CySA+ is the most up-to-date security analyst certification that covers advanced persistent threats in a post-2014 cybersecurity environment. The behavioral analytics skills covered by the CompTIA CySA+ certification identify and combat malware and advanced persistent threats (APTs), resulting in better threat visibility across a broad attack surface by focusing on network behavior, including an organization's interior network. The exam will certify that the successful candidate has the knowledge and skills required to:

- Leverage intelligence and threat detection techniques
- Analyze and interpret data
- Identify and address vulnerabilities
- Suggest preventative measures
- Effectively respond to and recover from incidents

CompTIA CySA+ meets the ISO 17024 standard and is approved by U.S. Department of Defense to fulfill Directive 8570.01-M requirements. It is compliant with government regulations under the Federal Information Security Management Act (FISMA). Regulators and government rely on ANSI accreditation because it provides confidence and trust in the outputs of an accredited program. Over 1.3 million CompTIA ISO/ANSI-accredited exams have been delivered since January 1, 2011.

**Recommended Experience:**

- Network+, Security+ or equivalent knowledge. Minimum of 4 years of hands-on information security or related experience.

**Target Audience:**

- Network Security Specialist
- Network Security Operations
- Network Security Analyst
- Application Security Analyst
- Threat Hunter
- Threat Intelligence Analyst
- Security Operations Center (SOC) Analyst
- Security Architect
- Cybersecurity Engineer

**Skills Measured:**

- Planning and Scoping (14%)
- Information Gathering and Vulnerability Scanning (22%)
- Attacks and Exploits (30%)
- Reporting and Communication (18%)
- Tools and Code Analysis (16%)

**Why Professional Choose TOPTALENT?**

**Dedicated Texas-Based Support**

Get assistance every step of the way from our **Texas-based team**, ensuring your training experience is hassle-free and aligned with your goals.

**3000+ Curated Professional Courses**

Access an extensive portfolio of over 3000 courses across IT, Business Application and Leadership – Designed to meet evolving Industry demands

## **95% Client Approval Rating**

Trusted by professionals nationwide our 95% approval rating reflects consistent quality, measurable impact and exceptional service.

## **Certified Industry Instructor**

Learn from professionally certified experts with real world experience and a proven commitment to learner success.

## **FAQ**

### **What if I have to reschedule my class due to conflict?**

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to [info@toptalentlearning.com](mailto:info@toptalentlearning.com) to avoid rescheduling penalties.

### **How do I enroll for this class?**

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

### **What happens once I purchase a class?**

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

### **What is your late policy?**

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

### **What happens when I finish my class?**

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
