

55244: JavaScript for Developers

Price: 2995

Duration: 5 days

Delivery Methods: Virtual

Overview

JavaScript for Developers is a 5-day instructor-led course that will give you an in depth, hands-on study of JavaScript. The course includes detailed, guided labs that will teach you to write code, use DOM, add jQuery, make use of Ajax, and more. You will take on multiple projects that update an existing website to let you dive right into the advanced topics.

This JavaScript training course is intended for you, regardless if you're a novice or experienced programmer. Some experience in C++, C#, or Java is helpful but not required.

Audience Profile

This course is intended for both the novice and experienced programmer.
