

# VMware Cloud Foundation: Solution Architecture and Design [9.0] (VCF SAD9)

**Price:** 4250

**Duration:** 5 days

**Delivery Methods:** Virtual

## Overview

### About the course

This five day course explores the architecture and design considerations for an initial deployment of VMware Cloud Foundation

(VCF). The course explains the architecture framework and language, as well as design considerations for building, operationalizing,

and consuming a VMware Cloud Foundation deployment. The scope of the course is centered on the core design

considerations applicable to a VMware Cloud Foundation deployment in a single site.

### Course Objectives

By the end of the course, you should be able to meet the following objectives:

- Describe and apply an appropriate design framework.
- Apply a design process for gathering requirements, constraints, assumptions and risks.
- Understand VMware VCF constructs such as site, fleet and instance.
- Understand data center fabric needs to support VCF.

- Understand VCF storage and network design options.
- Design a single site single fleet deployment of VCF with recommended design options.
- Design management and workload domains with appropriate compute and storage resources.
- Design a consumption layer leveraging VCF Automation and Supervisor.
- Understand the day-2 operating model, operations metrics, and reporting needs of VCF.
- Understand future opportunities to extend the VCF platform with advanced services.

## **Course content**

### 1. Course Introduction

- Introduction and course logistics
- Course Objectives

### 2. Architecture Frameworks and Models

- Architecture Frameworks
- Business Objectives
- Design Models

### 3. VMware Cloud Foundation Overview

- VCF Design Blueprints and Use Cases
- Upgrade Overview
- License Management Overview

### 4. VCF Fleet and Instance Design

- Sites, Fleets and Instances
- Management and Workload Domains
- Designing Conceptual and Logical Designs
- VCF Operations Platform Design

## 5. Building the Physical Fabric and VCF Networking Design

- Networking Fabric Design
- VCF Networking Design

## 6. Storage and vSAN Essentials

- VCF Storage Overview
- Storage Design Considerations

## 7. Management Domain

- Management Domain Design Overview
- Management Domain Design Sizing Considerations
- Management Domain Design Decisions
- Storage Requirements for Management

## Workloads

- Networking Requirements for Management Workloads
- Platform-Based Protection Mechanisms

## 8. Workload Domains

- Workload Domain Design Overview
- Cluster Design Overview
- Storage Requirement for Workload Domains
- Networking Requirements for Workload Domains
- Security Design Considerations

## 9. VCF AMPRS Considerations Summary

- Designing for Availability
- Designing for Manageability

- Designing for Performance
- Designing for Recoverability
- Designing for Security

## 10. VCF Consumption Design with VCF Automation and Supervisor

- VCF Automation Overview
- VCF Automation Tenancy Models
- VCF Automation and Supervisor Components
- VCF Automation and Supervisor Design

### Considerations

## 11. Day 2 Operations with VCF

- Day 2 Operations Overview
- VCF Operations Overview and Metric/Dashboard Design
- VCF Operations Key Metrics for Compute,

### Storage and Networks

- VCF Operations for Networks Overview and Design

## 12. VCF Upgrade Considerations

- VCF Upgrade Overview
- VCF Upgrade Key Considerations

## 13. VCF Advanced Services

- Introduction to Private AI
- Introduction to VMware Live Recovery
- Introduction to Advanced Security

### **Who Should Attend**

Technical and Solution Architects and Consultants who design enterprise-grade private cloud environments.

## Course Schedule

Date	Time	Price	Options
06/01/2026	09:00 AM - 05:00 PM CT	4,250.00	<a href="#">Buy Now</a> <a href="#">Enroll</a>
07/20/2026	09:00 AM - 05:00 PM CT	4,250.00	<a href="#">Buy Now</a> <a href="#">Enroll</a>
09/14/2026	09:00 AM - 05:00 PM CT	4,250.00	<a href="#">Buy Now</a> <a href="#">Enroll</a>

## Why Professionals Choose TOPTALENT?

### Dedicated Texas-Based Support

Get assistance every step of the way from our **Texas-based team**, ensuring your training experience is hassle-free and aligned with your goals.

### 3000+ Curated Professional Courses

Access an extensive portfolio of over 3000 courses across IT, Business Application and Leadership – Designed to meet evolving Industry demands

### 95% Client Approval Rating

Trusted by professionals nationwide our 95% approval rating reflects consistent quality, measurable impact and exceptional service.

### Certified Industry Instructor

Learn from professionally certified experts with real world experience and a proven commitment to learner success.

## **FAQ**

### **What if I have to reschedule my class due to conflict?**

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to [info@toptalentlearning.com](mailto:info@toptalentlearning.com) to avoid rescheduling penalties.

### **How do I enroll for this class?**

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

### **What happens once I purchase a class?**

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

### **What is your late policy?**

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

### **What happens when I finish my class?**

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
