Cortex XSIAM: Security Operations, Integration and Automation (XSIAM-SOIA)

Price: 2995

Duration: 3 days

Delivery Methods: Virtual

Overview

Course Overview

XSIAM is the industry's most comprehensive security incident and asset management platform, offering extensive coverage for securing and managing infrastructure, workloads, and applications across multiple environments. Throughout this course, you will explore the key features of Cortex XSIAM. This course is designed to enable you to:

- Describe how endpoint agents, XDR collectors, NGFWs, and Broker VMs secure networks and devices.
- Query and analyze logs using XQL for data ingestion and detection.
- Configure Threat Intel Management features, automate workflows, and apply EDLs and indicator rules.

With this release, Palo Alto are now replacing Cortex XSIAM for Security Operations and Automation (EDU-270) with the following two courses:

- Cortex XSIAM for Investigation and Analysis (2- day course for XSIAM analysts)
- Cortex XSIAM: Security Operations, Integration, and Automation (3-day course for XSIAM engineers)

Students may wish to take only one or both courses as applicable to their role

Course Content

Course Modules

- 0 – Course Overview
- 1 – Overview of Cortex XSIAM
- 2 – Software Components
- 3 – XQL
- 4 – Detection Engineering
- 5 – Integrations
- 6 – Automation
- 7 – Threat Intel Management
- 8 – Attack Surface Management
- 9 – UI Customizations

Who should attend

SOC/CERT/CSIRT/XSIAM engineers and managers, MSSPs and service delivery partners/system integrators, internal and external professional-services consultants and sales engineers, SIEM and automation engineers.

Prerequisites

Participants should have a foundational understanding of cybersecurity principles and experience with network and endpoint security fundamentals.

Course Objectives

The course is designed to enable cybersecurity professionals, particularly those in SOC/CERT/CSIRT and engineering roles, to use XSIAM. The course reviews XSIAM intricacies, from fundamental components to advanced strategies and techniques, including skills needed to configure security integrations, develop automation workflows, manage indicators, and optimize dashboards for enhanced security operations.

Why Professional Choose TOPTALENT?

Dedicated Texas-Based Support

Get assistance every step of the way from our **Texas-based team**, ensuring your training experience is hassle-free and aligned with your goals.

3000+ Curated Professional Courses

Access an extensive portfolio of over 3000 courses across IT, Business Application and Leadership – Designed to meet evolving Industry demands

95% Client Approval Rating

Trusted by professionals nationwide our 95% approval rating reflects consistent quality, measurable impact and exceptional service.

Certified Industry Instructor

Learn from professionaly certified experts with real world experience and a proven commitment to learner success.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a 'Certificate of Completion' once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
