Agile Requirements – Writing User Stories Workshop

Price: 1395

Duration: 2 days

Delivery Methods: Virtual

Overview

Welcome to our Agile Requirements – Writing User Stories workshop, designed for Agile teams and professionals seeking to refine their expertise in crafting, managing, and delivering requirements within Agile frameworks.

This workshop provides a hands-on learning environment where you will master the art of writing effective user stories, essential for streamlined project execution.

Through engaging group activities and practical exercises, you will learn to articulate clear and concise user stories that encapsulate business needs, fostering better collaboration and communication across teams. Our experienced instructors will guide you through the nuances of user story creation, ensuring you gain actionable skills that can be immediately applied to your projects.

This workshop is ideal for Product Owners, Business Analysts, Testers, and anyone involved in Agile development, offering tools and insights to elevate your proficiency in Agile requirements management.

Audience Profile

- Ideal for Agile Professionals: Product Owners, Stakeholders, Business Analysts, Testers, and anyone interested in mastering the art of writing user stories.

At Course Completion

Upon completion, you'll gain:

- Agile Principles Knowledge: An understanding of Agile principles and common Agile terms.
- Business Analysis in Agile: Insights into the role of business analysis activities in Agile environments.
- User Personas and User Stories: Skills in identifying user personas and writing effective user stories.
- Comprehensive Product Backlog Understanding: Mastery of Product Backlog Items, including solution requirements, spikes, defects, and technical debt.
- Clarity on Agile Artifacts: A clear understanding of epics, features, and tasks within the Agile framework.
- User Story Analysis Expertise: Techniques for detailed user story analysis, prioritization, and backlog management.

FAQ

What if I have to reschedule my class due to conflict?

Ten (10) business days' notice is required to reschedule a class with no additional fees. Notify TOPTALENT LEARNING as soon as possible at 469-721-6100 or by written notification to info@toptalentlearning.com to avoid rescheduling penalties.

How do I enroll for this class?

Please contact our team at 469-721-6100; we will gladly guide you through the online purchasing process.

What happens once I purchase a class?

You will receive a receipt and an enrollment confirmation sent to the email you submitted at purchase. Your enrollment email will have instructions on how to access the class. Any additional questions our team is here to support you. Please call us at 469-721-6100.

What is your late policy?

If a student is 15 minutes late, they risk losing their seat to a standby student. If a student is 30 minutes late or more, they will need to reschedule. A no-show fee will apply. Retakes are enrolled on a stand-by basis. The student must supply previously issued courseware. Additional fees may apply.

What happens when I finish my class?

You will receive a ‘Certificate of Completion’ once you complete the class. If you purchased an exam voucher for the class, a team member from TOPTALENT LEARNING will reach out to discuss your readiness for the voucher and make arrangements to send it.
